NEW / UPDATED MAILING CONTACT DETAILS

NIACE (National Institute of Adult Continuing Education) is the national organisation for adult learning in England and Wales. NIACE is a voluntary organisation with a membership drawn from right across the spectrum of adult education provision and from private, public and voluntary sector organisations. We aim to represent the interests of all adult learners and to build a learning society by securing access to learning for adults at every stage in their lives.

If you would like to be included on our mailing lists please complete all the details on the enclosed form where they are relevant. This form enables you to provide specific details about your organisation (if applicable) and your own particular areas of interest so that we only provide you with the information that you require. We have recently revised this form and would be grateful if you could provide your details by completing all relevant sections, even if you already receive information from us.
